Allah – beginning with the name of – the Most Gracious, the Most Merciful Kanzuliman – an Introduction

Alhamdulillah after a long wait Kanzulimān Islamic Library once again got operational in the blessed month of Rabi'ul Awwal (2017) from its new spiritual destination for readers, books lovers and admirers of knowledge. Named after the famous translation of the Holy Quran “Kanzulimān – the treasure faith” by one of the most revered and popular scholars of Islamic world Aalahazrat Imam Ahmad Raza Khan Fazil-e-Barelvi Alaihir’rahma, the Kanzulimān Islamic Library is one of the most highly visited knowledge centre in Bareilly Shareef.

The library has a spiritual legacy of promoting Maslak of Aalahazra since from its inception in June 2006. It was the same year when this knowledge centre came into existence from the contribution of 5 determined individuals who had a vision of transforming this library into a strong movement promoting the traditional idea of Islam as coined by Imam Ahlesunnat Aalahazrat Imam Ahmad Raza Khan Fazil-e-Barelvi Alaihir’rahma.

It was the year (2007) when one of the most respected scholars of Ahlesunnah Wal Jama’ah in the sub-continent, the Grandson of Aalahazrat & Huzoor Ustad-e-Zaman Huzoor Sadrululama Hazrat Allama Tehseen Raza Khan Muhaddis Barelvi Alaihir’rahma awarded his blessed Patronage to Kanzuliman Islamic Library.

While awarding his noble patronage to the library, these were the blessed words of Huzoor Sadrululma “Sarparasti Rahegi, Hamesha Rahegi” in Shā Allah.

The library was started in a small room at Raza Chawk, Sailani, Bareilly with a set of merely 50 books, however, today the library holds a treasure of more than 2000 hardbound titles (books) listed across various shelves and are categorised under various subjects of Islam concerning Aqa'id (Beliefs), Fiqā'h (Islamic Jurisprudence), Hadith (Sayings of the Holy Prophet ﷺ), Tasawwuf (Sprituality), Usool (Principles), Nazariya (Theory), Seerah (Biography), Tareekh (History), Fatawa (Islamic Decrees) including few titles on modern subjects.

Our Mission & Vision

Kanzuliman aims at working on the legacy and teachings of Aalahazrat Imam Ahmad Raza Khan Alaihir'Rahma. In order to achieve our objectives (Taleem, Iilm & Razawiyā) we align our mission & vision in accordance to that of Aalahazrat's 10-Point plan for the revival of Ahlesunnah Wal Jama'ah

AALAHAZRAT'S 10-POINT PLAN FOR THE REVIVAL OF AHLESUNNAH WAL JAMA'AH

**When Aalahazrat saw the condition of Ahlesunnah Wal Jama'ah, he said:
"We need to have a united team of Ahlesunnah Wal Jamaah"**

- **Building Institutions:** Grand educational institutes should be established with a systematic educational curriculum.
- **Reward system for Students:** Students should be given monthly scholarships so that they remain connected to their studies and need not worry about anything else.
- **Appropriate wage for teachers:** Basis upon the expertise and performance, teachers should be given an appropriate amount of wages.
- **Inspect talent of Students:** Inspect and examine the skill of each student in the class, whatever quality is observed that quality should be polished and utilized for the benefit of Ahlesunnah Wal Jama'ah.
- **Send students far and wide:** Those from your students who are qualified spread them far and wide throughout the country so that the work of Deen is spread far and wide.
- **Fund writers for books and debate:** Fund or support writers & authors who have the quality to write so that they can defend the sacred traditions and can refute the heterodox sects.
- **Books should be distributed for free:** These sponsored books should be published and sent for free distribution far and wide across the entire country.
- **Representatives in every community:** At each location in the country there should be our representatives who should keep us inform about the needs of that place and their requirements should be dispatched as per their needs.
- **Use skilled people for the Deen:** Skilled human resource should be found and utilized for the work of Deen. If they are on job they should be compensated accordingly and their skills should be utilized for the benefit of Ahlesunnah Wal Jama'ah.
- **Print Media:** Our own newspapers should be published daily or at least weekly along with the monthly magazines having news items and articles favouring our religion.
